Background

EBAN was created to encourage African-Americans and the entire African Diaspora to Live Life Loud and Unapologetically. Unifying the Diaspora is a critical piece of fully living the EBAN life.

So, it's pretty simple, there is no unity without understanding and communication.

This exchange is designed to broaden your understanding of your cousins in Senegal and to help you have a conversation with a part of your family. A part of the African Diaspora, the Senegalese.
